Download and Installation Instructions for OverDrive® Media Console™ for iPhone®, iPod touch®, and iPad®

To download OverDrive eBooks (ePUB editions) from the Lackawanna County Library System collection on your iPhone®, iPod touch®, and iPad®, you will need to download the OverDrive® Media Console™ App.

You can download this application via iTunes on your computer or the App Store on your device.

1. In the App Store, search for "OverDrive Media Console."
2. Select and download the "Overdrive Media Console."
3. You are prompted to sign in to the iTunes Store and/or enter your Apple ID and Password.
4. When the download is complete the application will display on your device's screen or in the 'Apps' section of iTunes.
5. Connect your iPod touch®, iPhone® or iPad™ to your computer until iTunes syncs your device and installs OverDrive Media Console if you downloaded in iTunes.
6. Disconnect your device. OverDrive Media Console is installed.

To Download an eBook via the OverDrive Media Console:

1. Open the Overdrive Media Console app.
2. Click top right hand corner of screen "Get Books +"
3. Click "Add a Library +" and search for Lackawanna County Library System or by zip code. This is a onetime step.
4. After you add or select the Lackawanna County Library System, you will be taken to the library's Digital Collection.
5. You can now browse the collection, add Add Adobe EPUB books to your eCart and follow the steps to check out.
6. Once the book downloads to your device, you can start reading.

You can also use the Amazon Kindle App to download Kindle books.
